SUBJECT: Anders Lindgren Grant Fund Application

Dear Committee Members:

I am writing to recommend an applicant for this year's Anders Lindgren Grant, Camilla Fritze.

Camilla is applying to further her training and instructional education next year in Florida with Lena Wedenmark.

I have known Camilla for many years in various capacities in the training and competition world. I know her to be committed and focused in attaining her goals. She has outstanding integrity and honesty in all she commits to do. I believe her to be an excellent candidate for this award.

Please give her application serious consideration.

Yours sincerely,

David Schmutz
